KEEP YOUR DOG UNDER CONTROL

Dogs are prohibited from running at large and may be impounded for this violation. "At Large is described as off the premises of the owner and not controlled by a leash, confined in a vehicle or caged." Pick-up (\$30.00) and impound fees (\$25.00 a day) are required for a dog's release from impound. Additionally, citations are issued to violators of the City animal code and fines are assessed at District Court.

NOISE

City code states: "Noise: No person shall keep or harbor any animal that habitually barks, cries, whimpers or otherwise emits loud or unusual noises." Police request that if residents have problems with barking dogs that the Police Department be notified when the situation is occurring so that the nuisance can be witnessed by a police officer.

"NUISANCE" DOGS AND CATS

Residents will occasionally contact the police department regarding pets, including cats, being a "nuisance". City code regarding nuisances created by animals states: "No owner of any such animals shall permit said animal to damage or litter any lawn, garden, sandbox or other property."

REMEMBER!! It is illegal for pets to be in a park unless they are on a leash (pet droppings also must be removed).
