MEMO TO: **Prospective 2019 Fall Volleyball Teams**

FROM: Lyndell Frey, Recreation Supervisor

DATE: April 10, 2019

SUBJECT: **2019 Fall Volleyball League Registration**

The Apple Valley Parks and Recreation Department will be forming various Adult Volleyball Leagues for play this fall. Our Leagues will begin play the week of September 16th. Attached to this memo are the following:

1. Registration notes - please follow to properly register your team.
2. League descriptions of the various leagues that will be offered. Please read the league Descriptions carefully in order to determine the correct league for your team.
3. Priority Policy - indicates which teams will have top priority for their league choice(s).
4. Team Registration Form - please fill in all information to properly register your team.
5. Team Roster Form - **must be completed and turned in by the evening of your first match.**

To properly register for an Apple Valley Fall Volleyball League, submit the registration form & full payment of the appropriate fees by:

ALL Returning Teams - by 9:00 p.m. on Tuesday, August 27. All new teams by Friday, August 30. (Personal checks will no longer be accepted!)

NOTE: Teams that participated in a previous fall winter or spring league should register for the same league unless their team is **required** to move up or down one league division. **** Teams that placed 1st in the 2019 winter leagues will be required to move up to the next highest league for the 2019 fall season. **Teams that finished last in the 2019 winter leagues will be required to move down to the next lower league for the 2019 fall season.** The Recreation Department reserves the right to move additional teams up or down to even out the leagues, as needed.

PLEASE NOTE: All of our Leagues and Open VB programs use "**RALLY SCORING**" - 3 games per match, up to 25 points, winning by 2 points, with a 27 point cap. In rally scoring, if a team fails to serve properly, return the ball, or commits any other fault, the opponent wins the rally, and scores a point. The results of winning the rally are: If the serving team wins the rally, they score a point and continue to serve. If the receiving team wins the rally, they score a point plus gain the serve.

If you have any questions regarding which league you should register for, please give me a call at 952-953-2316 **before** you register your team; or email me at: Lfrey@cityofapplevalley.org.

Sincerely,

Lff

APPLE VALLEY PARKS & RECREATION DEPARTMENT

2019 FALL VOLLEYBALL REGISTRATION NOTES

1. Proper Registrations are defined as: a) completed team registration forms, b) submitted with the full league entry fees - Discover, Visa or Mastercard payments are accepted at the Apple Valley Community Center; also money orders/cashier checks or SPONSOR CHECKS are accepted. **No personal checks will be accepted.**
2. New teams for the Co-Rec Leagues may register for the "C1" & "C2" & "D" Divisions only; new teams for the Women's Leagues may register for the "B2" & "C" Divisions only. Exceptions to this must be approved by the Recreation Department in advance – call 952-953-2316 with questions, or email at: Lfrey@cityofapplevalley.org
3. The top team from each of our 2019 Winter Leagues is required to move up one division (where possible) when registering for the 2019 Fall Leagues, if not already done. The bottom team from each of our 2019 Winter Leagues is required to move down one division (where possible) when registering for the 2019 Fall Leagues, if not already done. All other teams should register for the same league they participated in previously or the League that best matches their team's ability, if they are a new team. Call with questions - 952-953-2316. Teams may be moved up or down by the League Director, as needed.
4. All players listed on a roster are considered full-time players. Teams may not list players on their roster as substitutes. Players are not allowed to play for more than one women's league or co-rec league recreational team. However, players may play for a co-rec recreational team and also play for a women's recreational team. Also, a woman may play for a Tuesday Power team and a Thursday Women's Recreational team.
5. Team captains must ensure that all requested information on the team roster is complete for each player. A minimum of six players and a maximum of twenty players can be placed on the roster. For teams registering as a resident team, the players who either live or work in Apple Valley must list the appropriate address. If a player's full address is not given on the roster, that player shall be considered as an outside Apple Valley player. **The completed team roster, including signatures and addresses of all players, must be turned in the evening of the team's first match of the season.** This roster may also be used for the 2020 Winter Season, if they so choose (please indicate this on your Winter Registration form).
6. Having outside Apple Valley players on your roster will reduce a new team's chances of being accepted into a league, since a higher priority is given to Apple Valley resident teams (51% of players live or work in Apple Valley). In 2019, NO teams were turned away.
7. Players who are added to the roster after the first night must come into the Apple Valley Community Center to sign the roster before they may play.
8. If multiple teams attempting to register for a league have the same priority status, a blind draw will be conducted to determine which team(s) will be accepted into the league.
9. All teams who register with the Apple Valley recreation department are eligible to participate in the Women's or Co-rec MRPA State Tournaments provided those teams pay the tournament registration fee.
